Illus. Anon. photographe

A 'newcomer' to the sport despite a geography neek background. Started strong but it hasn't lasted!!

Illus. RSPCA Blacklist

Unexpectedly not entirely shit, started his season shadowing 'Map-Rights' Speke until he decided he didn't want to be good anymore.

BASIC **J-LIPZ**

TP -7 👁

NO. 7 Trade Pokémon HT: 5'0" WT: 6 lbs.

Every guess in 7 makes the next guess-in-one ONE GUESS CLOSER! Every guess has a 1% chance to JACKpot!

SELF SABOTAGE 0.001

Intentionally refuse map rights so that you learn DESTRUCTIVELY rather than constructively. Losing should be PAINFUL!

weakness ⚡ +10

retreat ★★

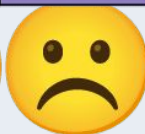

Illus. My Mum

An immediate plummet means NOÉ CEASAR has his first challenger for bottom spot! Can Lippy learn quickly?!
