- **'Topsy Toby'** faces death threats and mailbombs after delivering a late Decadiurnal Review.
- **'No Clue Noé'** returns to a par score after 25 days of playing. Rumoured to be sleeping with his 0-point-partner **Jack 'the Spack'!**
- After a long and hard battle, **'Fishy Bishy'** and **'Speke the Cheat'** both decide to give up on being consistently decent and take it easy after a visit to **Haiti!**

2. BONUS POINT FOR BEST FIRST GUESS?
3. STANDARDISE TOBY-TRADLE POINTS INTO DAILY WHATSAPP?
